

BE MY Valentine

Would You be my Valentine,
It will feel undoubtedly fine,
let us pick some flowers now,
let's be happy anyhow.

Will you be my Valentine,
if for you I'll write a rhyme,
if for you I'll change the world,
or I'll make up a new word.

If You'll be my Valentine,
I'll be yours and you'll be mine,
and our life will then become,
something sweet and something fun.
